16:30 – 18:00 Session 10 A – Alumni Panel

Chair: Lara Bister
Room: 057 Johann Peter Süßmilch Auditorium

The Alumni Panel offers PHDS students the opportunity to interact with our alumni and learn more about their experiences. This new format is a variation of the Alumni Office Hours that were offered at previous events. At the Alumni Panel, 4-6 alumni sit at the front and take questions from students and discuss them. Participation in the Alumni Panel is limited to PHDS students and alumni, at the express request of our student representatives. We encourage PHDS students to prepare one or more questions before attending the Alumni Panel. All topics are welcome: students may ask questions about the alumni's research, their experiences with the PHDS program (e.g. research stay at PHDS, coursework at PHDS), their job search or current job, etc.
